# ABOUT US

Tripledots Software Services Pvt. Ltd. is a Ranchi-based web design and software development company delivering innovative digital solutions that help businesses stay ahead in a competitive market. We specialize in software development, web solutions, internet strategy, and UI/UX design tailored to business needs.

Serving industries such as Healthcare, Real Estate, Tourism, Manufacturing, Hospitality, Banking, and Media, we focus on delivering projects with excellence in Time, Quality, and Support. Our dedicated team ensures timely delivery, high-quality standards, and reliable customer support to achieve complete client satisfaction.

# MISSION

Our mission is to deliver our clients the top-notch service and support, enriching customer experience; hence, becoming the most successful Software Company in terms of quality, growth, revenue, and market share.

# VISION

Our vision is to be the largest provider of highly effective and innovative web solutions with a reputation for helping our client outperforms their competitors.

# TECHNOLOGY WE USE

**Prototypes and Graphics** – Figma, Adobe XD, Adobe Illustrator, Adobe Photoshop, Adobe Indesign, CorelDRAW

**Web Development** – React Js, Javascript, JQuery, Ajax, XML, PHP & MySql, .NET, & MS Sql, Python, MERN, MongoDB

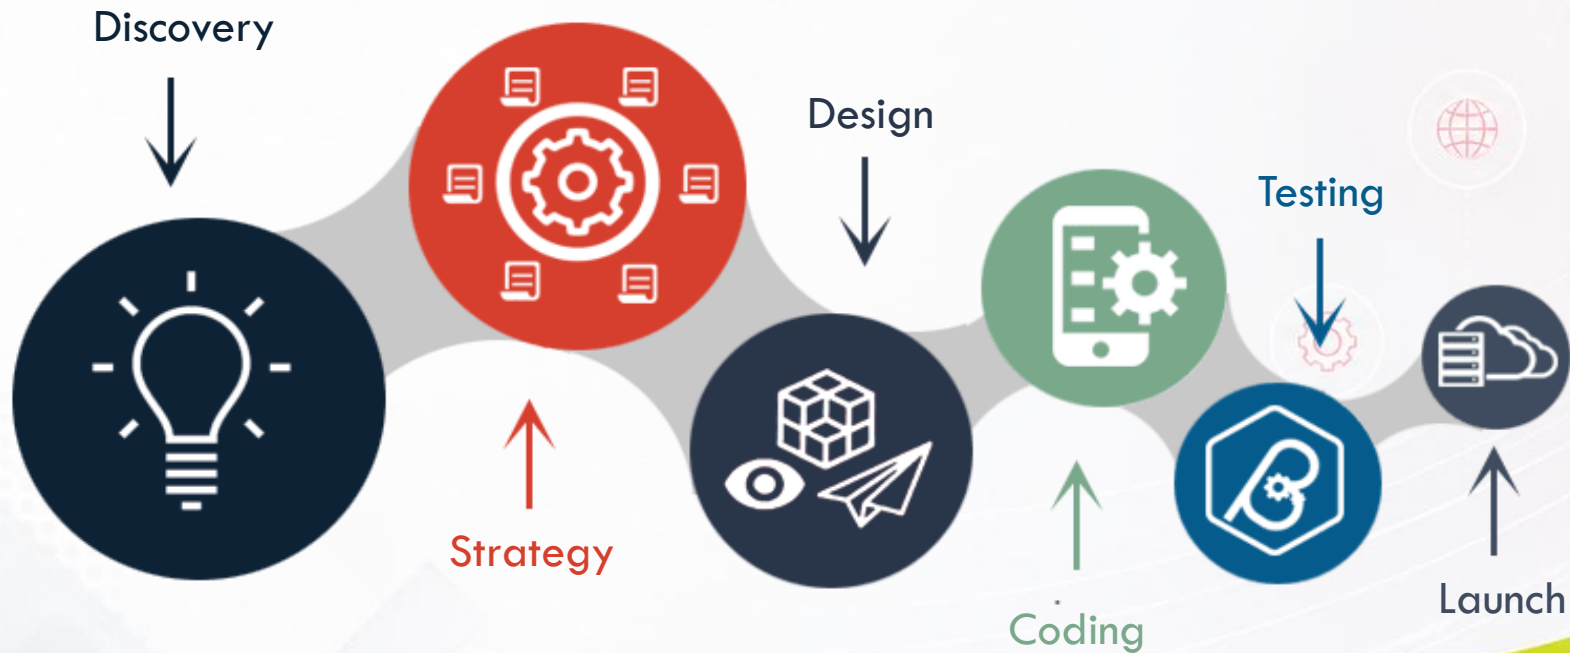

**Mobile Application** – React, Android Studio, Java, Flutter, Kotlin, Python, Firebase

**Software Development** – JAVA, Microsoft Visual Studio .NET, MS Sql

# DEVELOPMENT PROCESS

In the software development service, we employ several various software development models. However, it depends on the development team and the project to be accomplished. The process, which is integrated evidently, classifies the steps of the SDLC (short for Software Development Life Cycle). In other words, it is an extremely organized process with accurate procedures and stringently defined steps.

# CLIENT REVIEW

Trusted by businesses across multiple industries

Had a great experience working with tripledots. Unmatched IT services of all kind and very professional team.

Uttam Kumar

It is a leading software company in Ranchi. I'm really impressed with the work they are doing.

Raj Chauhan Sir
